

About Goodskills

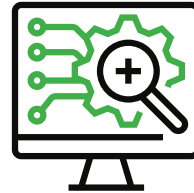

Goodskills Career Builder provides four weeks of targeted skills training at **no charge** to eligible applicants and connects participants directly with hiring employers in your community. Specialized training for careers in technology is also available at our Buffalo Career Center.

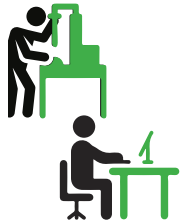

You will create long-term, realistic career and financial goals with a Career Coach.

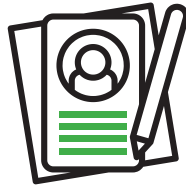

You will learn critical skills that will help you succeed on the job.

You will learn key technical skills that hiring employers are looking for.

You will receive hands-on work experience based on your career track.

You will receive interactive job preparation training, including resume development.

You will have free access to an expert career coach for up to three years.

Is Goodskills Right For You?

Goodskills Career Builder is open to any motivated adult over 18 years old currently looking for full-time employment in a manufacturing or technology-based career who:

- Resides in the Erie, Niagara, Chautauqua, or Cattaraugus County
- Has a minimum of a high school diploma or GED
- Is authorized to work in the United States
- Can commit to four consecutive weeks of training at either our Buffalo, Niagara Falls, Jamestown or Dunkirk locations.

Start your journey on the pathway to a high paying career today.
