

# Goodskills Career Builder

Buffalo • Niagara Falls • Jamestown

## Is your company looking to find motivated and qualified job candidates for skilled entry level positions in Advanced Manufacturing?

The Goodskills Career Builder initiative provides participants with work readiness skills that employers have identified as important for success on the job. By partnering with Goodwill of Western New York, your company gets first access to people ready to work.

### Find Qualified, Motivated Employees

We identify motivated participants with a desire for permanent employment. These participants complete our in-depth assessment process, receive sector specific job readiness training, and are pre-screened to match your company's needs.

### Reduce Recruitment Costs and Boost Retention

Our employer partners get first access to graduates of Goodskills who have completed the four-week training and have demonstrated their commitment to becoming a valued member of your team. Our Career Coaches continue to support hired graduates to ensure employment success.

Complete our one-minute interest form online at [Goodskillswny.org](http://Goodskillswny.org) or use the QR code below to start finding potential employees today!
