

EMPLOYER SERVICES

Creating a Culture of Accountability

A seminar for the members of Buffalo Niagara Manufacturing Alliance

Overview

Creating an environment where employees hold themselves and their teams accountable for their actions and outputs is crucial for organizational success, yet can be challenging in today's business environment. Join Employer Services Corporation for an interactive training focused on how to develop a culture of high accountability throughout the business and within each employee.

Topics to be covered include:

- Characteristics of accountable vs unaccountable company cultures
- Stages of accountability & how to respond
- Steps to creating accountability organization-wide
- Coaching for accountability
- Question behind the question (QBQ)
- Holding yourself and others accountable
